TAXPAYER VERIFICATION

I, _____, verify that the above equipment will have a minimum useful life of four years. The conservation tillage equipment was purchased after December 31, 1985, the Deep No-Till Ripper was purchased after December 31, 2001 and I understand that failure to retain ownership for a minimum of three years will constitute ineligibility for this tax deduction. I further verify that I will assume responsibility for repayment of any taxes owed on the amount deducted if the above requirements are not met.

Signature Date

DISTRICT CERTIFICATION

I certify that the equipment described herein (____ A.) is designed to minimize the disturbance of the soil in planting crops and is a no-till or conservation tillage drill or planter or (____ B.) will not invert the soil profile and is designed to address compaction in high residue cropping systems.

Signature Title Date
